FACTUM CONSULTING

Partnering with clients to transform their business from within

CHANGE & TRANSFORMATION

Transformation within your organization can be daunting, but Factum's expert consultants can make it a manageable process. We help you go from goal to plan and get your people onboard with specific competencies:

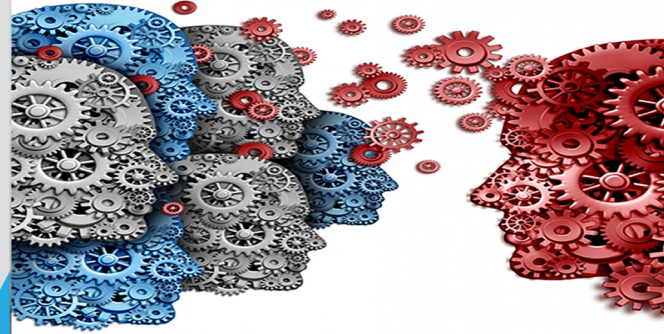

- Change Adoption
- Business Model Change
- Process Improvement & Redesign
- Departmental Cohesion

STRATEGY & ADVISORY

Expertise, especially from an objective party, is sometimes needed to bring a knowledgeable and external perspective into the organization. Consulting is at the core of our entire capability set, so advising on matters of strategy and high-level concerns come naturally. Our competencies can help you overcome your most critical organizational concerns:

- Mergers & Divestments
- Internal Compliance
- System Selection & Procurement
- Systems Management

ORGANIZATIONAL DESIGN

The way your organization is structured affects more than day-to-day operations. Factum has been consulting companies on their organizational design for years, providing both high-level and front-line solutions that transform the way companies operate across several competencies:

- Business & Operational Models
- Process Definition
- Organizational Structures
- Human Resource Planning

DELIVERY MANAGEMENT

Delivering a program is often complex and challenging, especially when it affects multiple areas of your organization. Yet results are still required. That's why Factum helps you navigate these challenges and achieve your program objectives with its refine expertise in overseeing and managing delivery across multiple competencies:

- Program Oversight
- Vendor Management
- Team Augmentation
- Mobilization

RESOURCE DEVELOPMENT & EDUCATION

Without improvement, your business loses its competitive edge. This is especially true with human resources, the lifeblood of any organization. Factum helps you avoid this by ensuring your talent develops in alignment with your mission and business strategy with specific competencies:

- Professional Development Approaches
- Instructional Design
- Training Content Development
- Training Execution

DOCUMENTATION

Failing to stay up to date with documentation can leave your company disorganized, inefficient, and exposed to regulatory or disciplinary action from external organizations. Factum can help you avoid these dangers with our competency offering:

- Documentation Migration
- Document Management Systems
- Document Production & Maintenance
- Documentation Accreditation

Factum is a multi-faceted consulting firm that was founded with one thing in mind: Helping clients solve problems. With its team of expert consultants and principles of quality, dependability, and commitment, Factum establishes enduring partnerships with clients across industries to help them overcome business challenges and transform their business from within.
